

# Siberian Rail Explorer

BUDGET TRAIN JOURNEY FOR ALL SEASONS

According to the voting among readers the Grand Transsiberian adventure was called by the popular British Lonely Planet Magazine as the Greatest Adventure. This railroad, the largest in the world, was built in 1891-1916. You will find yourself in the deep Asia with almost inhabited landscapes, the heart of Russia. The train passing through the endless steppes, the widest rivers will bring you to the Russian cities, breathing by the Soviet and Empire's history.
