Sightseeing. Dinner. Overnight stay outdoors in tents.</p> <p>Sacred Kihileekh Mountains (Northern Shambhala, the Earth Promised) - for a long time the mountains were covered by mystery and taboos among local residents. In early times only shamans were allowed to enter the territory to ask for help of supreme forces and get some of their energy. There is belief that the person who visits these mountains and receives its blessing is charged by fresh space power, and is cleaned from dirty energy and any kind of illness. The Kihileekh Mountains have two ways of translation: first - the stone people, another one - Spirits of Mountains.</p>	B L D
